Intro

One day, a fearless squirrel warrior, Lex Ekorn, was venturing through the forest heading towards their homeland of Cleardale. Lex had heard rumors villages were being attacked by a vicious enemy and knew it was their duty to protect the town. The hero knew they had to hurry back, but the forest proved more difficult to traverse than Lex originally thought...

Squirrel to itself after Intro

Lex - Three other villages have been attacked by those evil wolverines. I'm going to *go out on a limb* and assume Cleardale needs my help. I need to hurry back - no one else in the town can get as *squirrely* to fight as me!

Squirrel encounters wolverine

Biff - Who are you? This town belongs to the wolverines now.

Lex - Cleardale is owned by no one, let alone an evil wolverine! If you don't leave now you're going to have to see me *go nuts*.

Biff - I see what you did there with the pun - these jokes will not be a distraction to me! Let's brawl if that's what it takes for you to leave!

Lex - Out of *curiositree*, did you like the pun?

Biff - That one was worse..

Lex - Cut me some slack, not every joke lands.

Biff - Hey did you hear about the squirrel who got arrested? He was *foraging* checks!

Lex - Haha! Wait, now you are distracting me! I *walnut* be backing down from this fight!

Biff - Get out of here you pipsqueak! I'm done listening to these *acorn-y* jokes.

Lex - That is it - I won't let you *critter-size* me! Let's go!

After defeating wolverine

Lex to Biff - Take that! Now get out of here. If I ever cashew in this area again you will regret it!

Biff - *leaves*

Lex - He was *one tough nut to crack*, but the town is saved! Who run the world? Squirrels!

Why shouldn't you make an agreement with a wolverine? Because of his retractable claws
